Target Sponsorship Program

We are writing to you today to ask you for your support of Seven Oaks Archery Club. We are a non-profit archery club located just outside of Mineral Point, WI. With previous sponsorships from local businesses, we were able to purchase new targets and upgrade other features of our club. We are asking for your help today as we continue to take steps in improving and maintaining our course.

This coming summer we will hold four different 3D archery shoots held in March, April, May, and August. If you choose to sponsor, the numerous competitors at our shoots will be exposed to your business information. We also encourage members and competitors to patron our sponsors throughout the year. To see our current sponsors or your current ad visit [www. SevenOaksArchery.com](http://www.SevenOaksArchery.com). Below are the different levels of sponsorship available and the benefits of each level.
