## **Target Sponsorship Program**

We are writing to you today to ask you for your support of Seven Oaks Archery Club Inc. We are a non-profit archery club located just outside of Mineral Point, WI. Sponsorships from local businesses, allows our club to purchase new targets and upgrade other features of our club. We are asking for your help today as we continue to take steps in improving and maintaining our course.

Each summer, we hold four 3D archery competitions and several member shoot nights. If you choose to sponsor, below is how we will help market your business based on the level of sponsorship. We also encourage members and followers to patron our sponsors throughout the year.

### Sponsorship Levels:

#### 3-year Sponsorship - \$300.00 –

- You are the sponsor of one target by yourself for a 3-year period. Your sign will be posted on a random target out on the course during our shoots.
- Your sign will be posted at the clubhouse and on our website for 3 years.
- Your business will randomly be posted on our Facebook page as a sponsor shout out.
- You will be provided with 9 free shoot passes that can be handed out however you feel works for your business.

#### Yearly Sponsorship - \$100.00 –

- Your sign will be posted at the clubhouse and on our website for 1 year.
- You will be provided with 1 free shoot pass card.

Please consider joining us to provide low-cost archery activities for all ages at our archery club this year.

### **Submission info:**
